

Important information about this form:

- Use this form to make an indirect rollover from a 529 College Savings account into an ABLE for ALL account. In an indirect rollover, the withdrawn 529 College funds are given to the 529 College Savings Account Owner and then deposited by such Account Owner into the ABLE for ALL account.
- The assets will be allocated based on the investment selection for the ABLE for ALL account.
- You must deposit the amount you want to qualify as a rollover into the ABLE for ALL account within 60 days of withdrawal from the 529 College Savings account.
- If an ABLE account has not yet been established for the Beneficiary, the Beneficiary or his/her Authorized Legal Representative should sign up online at www.ABLEforALL.com or use an **Enrollment Form** before this form is completed.
- There's an annual rollover limit (less the amounts previously contributed by any person to the ABLE account that count against the standard annual limit). See the Program Disclosure Booklet for the current annual contribution limit.
- The Beneficiary of the ABLE for ALL account must be the same as the beneficiary (includes biological and step parents, aunts, uncles, siblings, children, first cousins, nieces and nephews; parents, siblings, children, nieces and nephews by marriage; legally adopted children; and half-brothers or half-sisters).
- The Beneficiary of the ABLE for ALL account will also be the owner of the ABLE for ALL account even if such Beneficiary was not the owner of the 529 College Savings account.
- Make sure you use black ink to type or print clearly in capital letters and do not staple the pages together.
